

GFL COVID- 19 Decontamination/Emergency Response Services

GFL's number one priority is the safety, health and well-being of our employees and the clients we work with each and every day.

We recognize that the current impact of COVID-19 in Canada and worldwide presents new challenges on many different levels. You can rest assured we have the expertise of highly-trained response teams, strategically prepared to support our partners and clients in emergency decontamination applications, ready to support your business 24-7 as we navigate through this unprecedented time.

Please take a moment to review the attached to see how we can assist with restoring safe and healthy working conditions at your facility or site.

Please feel free to contact us via e-mail or by phone if you need to activate support or would like to inquire about how our customer specific programs can work for your business.

For more information, please contact us at 1.877.898.7222 or COVIDresponse@gflenv.com

Sincerely,
