

Consolidated Dealers Co-Op Inc. continues national expansion with opening of new Office and Distribution Centre in Western Canada

VAUGHAN, Ontario – Monday September 23rd, 2019. As part of its ongoing expansion plans in Western Canada, Consolidated Dealers and the CCS collision network have opened a new office and distribution center in Edmonton, to service its rapidly growing membership.

“Our team is very proud and excited to announce that our new Edmonton location will inventory over 3,000 items, ranging from collision repair products, maintenance supplies and car care chemicals. Along with our full line-up of direct supplier programs, we will now offer a true single source savings solution to our over 250 new car dealer members in Western Canada. The ease and simplicity of online ordering offered through our website will provide a new savings tool and will ultimately increase members’ profits,” said Tom Langton, President & CEO of Consolidated Dealers Co-Op Inc.

Single store owners as well as dealer groups across Canada, can now select Consolidated Dealers as their buying group, regardless of their location. Distribution centers in Toronto, Ottawa and Edmonton, along with a national and dedicated team, are fully committed to serving new car dealers across Canada.

The Co-Operative is 100% owned by Canadian new car dealers.
